

## Countrywide Cake Decorations Australian Postage / Freight Guide Oct 2017

We use both Aust Post and Couriers Please. Both have 3 and 5kg satchels but because the sizes are slightly different we can squeeze more into the Couriers Please ones.

Aust Post satchels go everywhere. Couriers Please are limited to capital cities and major centres like the Gold Coast. Please rely on us to forward goods in the most cost effective manner

Regular Aust Post parcel post now takes 3 - 5 days depending on destination,

**Can upgrade to Express Post - \$11.35 for 500gm pack, \$16.40 for 3kg and \$24.80 for 5kg satchels**
